

National Provident Pension Scheme

On behalf of the Board of Trustees of the National Provident Fund, set out below is a report on the performance and activities of your Scheme for the year ended 31 March 2024. Further information on the National Provident Fund's activities, and commentary on investment markets, is set out in the Chair's letter.

Your Scheme

CROWN GUARANTEE

The National Provident Pension Scheme is a defined benefit scheme. The benefits payable by your Scheme are guaranteed by the Crown.

INVESTMENT PERFORMANCE

The asset class returns (before tax and expenses), and the comparative performance of the benchmark indices are shown in the table below.

Asset Class	Return	Index
Fixed interest (New Zealand)	1.94%	1.99%
New Zealand shares	4.68%	2.75%
Overseas shares	32.45%	26.53%

The investment return (after tax and expenses) earned by the Scheme for the year ended 31 March 2024 was 5.27% (2023: (2.28%)). In dollar terms, this represents an investment gain from unit funds of \$19.897 million (investment loss 2023: \$8.145 million).

Annual Report for the year ended 31 March 2024

SUMMARY FINANCIAL STATEMENTS

The summary financial statements included in this Annual Report have been extracted from the full financial statements for the year ended 31 March 2024.

The summary financial statements cannot be expected to provide as complete an understanding as the full financial statements.

Members are welcome to view the full financial statements on our website – www.npf.co.nz/members/schemes – or contact the Scheme administrator, Datacom (see details on back page), for a free copy of the Scheme's full financial statements.

INVESTMENT PERFORMANCE CONTINUED

This year was generally a good one for financial markets, in particular for the global equities asset class which performed very strongly. Inflation and high interest rates remained key influences on markets throughout the year. While the markets have performed well, getting inflation back to the levels seen before 2022 remains a challenge. The Board continues to monitor the impact of movements in the market, and the implication for investment strategy, on an ongoing basis.

See the 10 year comparison page for the key statistics of your Scheme over the last 10 years. For an overview of the financial performance of the Scheme, refer to the summary financial statements on the following page.

FUNDING POSITION

A summary of the funding level of the Scheme, as at 31 March, was:

	2024 (\$000)	2023 (\$000)
Net assets	375,659	370,588
Actuarial liabilities	(339,834)	(343,905)
Funding level*	110.5%	107.8%

^{*} The funding levels at 31 March 2024 and 31 March 2023, in the table above, have been calculated on the funding basis using discount rates, which are the Sovereign bond yields, adjusted for tax and investment expenses.

PENSIONS INCREASE

The Board has a financial management framework for the Scheme. In developing the framework, the Board considered the investment strategies that should be pursued depending on the funding level of the Scheme along with the Minimum Funding Level above which consideration will be given by the Board to granting pension increases. In setting the Minimum Funding Level at 108%, the Board acknowledged there will be years when the funding level of the Scheme is below the target and there is insufficient surplus to provide for a pension increase.

The Board will consider granting a pension increase as soon as possible once the Triennial Statutory Valuation for the Scheme has been completed. Its decision will be communicated to members via separate correspondence.

WHO INVESTS YOUR MONEY

Fixed Interest Managers

Harbour Asset Management Limited

Macquarie Asset Management (NZ) Limited (Terminated 20 April 2023)

New Zealand Equity Managers

SUMMARY STATEMENT OF CHANGES IN NET ASSETS FOR THE YEAR ENDED 31 MARCH 2024

Net assets available to pay benefits at end of year

This is a summary of the		2024 (\$000)	2023 (\$000)
Scheme's income and	Investment income/(loss)	19,897	(8,145)
expenses, and membership contributions and payments.	Less operating expenses	(975)	(922)
contributions and payments.	Net income/(loss) before tax and membership activities	18,922	(9,067)
	Income tax credit	230	228
	Net income/(loss) after tax and before membership activities	19,152	(8,839)
	Transfers in from other NPF schemes	18,813	15,049
	Less pension payments	(32,894)	(33,034)
	Net membership activities	(14,081)	(17,985)
	Increase/(Decrease) in net assets for the year	5,071	(26,824)
	Net assets available to pay benefits at beginning of year	370,588	397,412

SUMMARY STATEMENT OF NET ASSETS AS AT 31 MARCH 2024

This is a summary of the		2024 (\$000)	2023 (\$000)
Scheme's assets and liabilities, as at 31 March 2024.	Investment assets		
	Fixed Interest No 2 Unit Fund	294,068	294,030
Assets include the Scheme's investments in fixed interest	New Zealand Equity Unit Fund	18,740	18,131
(New Zealand), New Zealand	Overseas Equity Unit Fund	61,117	56,506
shares and overseas shares	Total investment assets	373,925	368,667
plus what the Scheme had	Other assets	1,807	2,039
in the bank and was owed by others.	Total assets	375,732	370,706
Liabilities are what the Scheme owed to others.	Less liabilities	(73)	(118)
Net assets is the money	Net assets available to pay benefits	375,659	370,588
available to pay future entitlements.			

SUMMARY STATEMENT OF CASH FLOWS FOR THE YEAR ENDED 31 MARCH 2024

This is a summary of the cash		2024 (\$000)	2023 (\$000)
flows through the Scheme during the year.	Opening cash brought forward	1,768	3,394
Cash was received from:	Net cash flows used in operating activities	(15,026)	(18,558)
operating activities (being contributions less benefit	Net cash flows from investing activities	14,485	16,932
and transfer payments and operating expenses); and	Net (decrease) in cash held	(541)	(1,626)
 investing activities. 	Closing cash carried forward	1,227	1,768
The difference between the two cash flows is recorded as an increase or decrease in cash held.			

NOTES TO THE SUMMARY FINANCIAL STATEMENTS

The summary financial statements:

- have been extracted from the full financial statements which were:
 - prepared in accordance with, and comply with, the New Zealand Equivalents to IFRS (International Financial Reporting Standards), Accounting Standards (NZ IFRS) and IFRS Accounting Standards (IFRS) as issued by the International Accounting Standards Board, and other applicable financial reporting standards as appropriate for profitoriented entities;
 - authorised for issue and signing by the Board on 25 June 2024; and
 - audited and received an unmodified opinion;
- cannot be expected to provide as complete an understanding as provided by the full financial statements;
- · are reported in New Zealand dollars, rounded to the nearest thousand;
- · are for a profit-oriented entity; and
- comply with Financial Reporting Standard 43: Summary Financial Statements.

SUBSEQUENT EVENTS

There were no material events subsequent to balance date requiring amendments to these financial statements.

TRUSTEE'S REPORT

For the year ended 31 March 2024

The Board of Trustees of the National Provident Fund, as trustee of the Scheme, provides members with the following information in respect of the Scheme.

Changes in the Scheme membership numbers during the year were as follows:

	Pensioners
Opening membership as at 1 April 2023	4,564
Pensioner change of beneficiary	51
Deaths	(388)
Transfers in from other NPF schemes	67
Closing membership as at 31 March 2024	4,294

Under the terms of the Scheme Trust Deed, contributions are not required to be made to the Scheme.

The Board certifies that, to the best of its knowledge, all benefits required to be paid from the Scheme were paid in accordance with the terms of the Scheme Trust Deed.

The Board based on the advice of the Actuary certifies that, as at 31 March 2024, the market value of the net assets of the Scheme exceeded the total value of the vested benefits of the Scheme under the funding basis.

FEES

Scheme administration fees are apportioned on fee per member and fee per transaction bases and are charged to the Scheme as a whole. As at 1 April 2023 and 2024 the scheme administration fees were increased for inflation.

The Board certifies it is satisfied the increase in the administration fees for the Scheme is not unreasonable. The Board is satisfied the total management fees charged to the Scheme are not unreasonable.

TRUST DEED AMENDMENT

The Scheme Trust Deed has not been amended since 6 July 2023, being the date of the Scheme's last annual report. A copy of the Trust Deed is available on request.

INDEPENDENT AUDITOR'S REPORT

To the readers of National Provident Pension Scheme's summary financial statements for the year ended 31 March 2024.

The Auditor-General is the auditor of National Provident Pension Scheme (the Scheme). The Auditor-General has appointed me, Pam Thompson, using the staff and resources of Deloitte Limited, to carry out the audit of the summary financial statements of the Scheme on his behalf.

OPINION

The summary financial statements of the Scheme that comprise the summary statement of net assets as at 31 March 2024, the summary statement of changes in net assets and the summary statement of cash flows for the year ended on that date, and related notes, are derived from the full financial statements for the year ended 31 March 2024 that we have audited.

In our opinion, the summary financial statements are consistent, in all material respects, with the full financial statements for the year ended 31 March 2024, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

SUMMARY FINANCIAL STATEMENTS

The summary financial statements do not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the full financial statements and the auditor's report thereon.

The summary financial statements do not reflect the effects of events that occurred subsequent to the date of our auditor's report on the full financial statements.

THE FULL FINANCIAL STATEMENTS AND OUR AUDIT REPORT THEREON

We expressed an unmodified audit opinion on the full financial statements for the year ended 31 March 2024 in our auditor's report dated 25 June 2024. That report also includes the communication of key audit matters.

BOARD OF TRUSTEES' RESPONSIBILITY FOR THE SUMMARY FINANCIAL STATEMENTS

The Board of Trustees is responsible on behalf of the Scheme for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the full audited financial statements of the Scheme, based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

We did not evaluate the security and controls over the electronic publication of the summary financial statements.

Other than in our capacity as auditor, we have no relationship with, or interests in the Scheme.

Pan Thompson

Pam Thompson for Deloitte Limited On behalf of the Auditor-General Wellington, New Zealand

Operating Activities: Includes any activities that are the result of normal business activities not classified as investing activities.

2 Investing Activities: Comprises acquisition and disposal of units in the GAT.

3 Cash: Comprises cash balances held with banks in New Zealand and Australia.

1 DESCRIPTION OF THE SCHEME AND FUNDING ARRANGEMENTS

The Scheme was established in accordance with section 17 of the National Provident Fund Restructuring Amendment Act 1997, for the purpose of paying pensions which arise from the membership of the National Provident Fund defined contribution schemes and such other NPF schemes as the Board of Trustees of the National Provident Fund (the Board) may determine from time to time.

The Scheme is deemed to be registered on the register of managed investment schemes under the Financial Markets Conduct Act 2013 (FMCA).

2 RELATED PARTIES

Under the terms of the National Provident Fund Restructuring Act 1990 (the Act), the Board is Trustee of the Scheme. Members of the Board are appointed by the Minister of Finance.

The Board and the Government Superannuation Fund Authority (the Authority) have formed a joint venture company, Annuitas Management Limited (Annuitas). Each organisation has entered into a management services agreement with Annuitas. The costs of running Annuitas are shared between the Board and the Authority on an equitable basis, as agreed between the organisations.

Edward Schuck and Sarah Park are the two Board appointed directors of Annuitas.

The Board is also the Trustee of the Global Asset Trust (the GAT), which holds the assets of all National Provident Fund Schemes. The GAT is divided into separate unit funds, representing various asset classes, which have issued units to the Board, as Trustee of the Scheme, according to the Strategic Asset Allocation Strategy (refer note 3).

There were no transactions between members of the Board or management, as individuals, and the Scheme.

3 STRATEGIC ASSET ALLOCATION (SAA) - INVESTMENT

The Scheme is authorised to invest in the GAT or in bank deposits. The GAT is divided into separate unit funds representing various asset classes.

Investment assets have been designated at fair value through profit or loss upon initial recognition. These are managed and their performance evaluated, on a fair value basis. This is consistent with the Scheme's documented investment strategy. The assets are investments in units in the GAT which, in turn, invest in equities, fixed interest and debt instruments.

The fair value of the units held by the Scheme in the GAT is based on the valuation of the financial instruments held by the GAT. The fair value of these financial instruments is based on exit prices at balance date without any deduction for future selling costs. If an exit price for an instrument is not available on a recognised exchange the fair value is estimated taking into account comparable markets and specialist advice.

3 STRATEGIC ASSET ALLOCATION (SAA) – INVESTMENT (CONTINUED)

The benchmark asset allocations as at 31 March 2024 and at 31 March 2023 are shown below.

	2024 (%)	2023 (%)
Fixed Interest No 2 unit fund	80.0	80.0
New Zealand Equity unit fund	5.0	5.0
Overseas Equity unit fund	15.0	15.0

4 INCOME FROM UNIT FUNDS

Income from unit funds is derived from the changes in fair value of units held by the GAT and reflects both realised and unrealised gains and losses. The income stated is net of expenses (including investment management and custodial fees) directly related to investment activities. The income per unit fund is as follows:

	2024	2023
	(\$000)	(\$000)
Fixed Interest No 2 unit fund	3,801	(6,183)
Fixed Interest unit fund	-	(2,380)
New Zealand Equity unit fund	681	(509)
Overseas Equity unit fund	15,261	821
Income/(loss) from unit funds	19,743	(8,251)

5 Management And Board Member Expenses

Management expenses comprise administration fees charged by Datacom Connect Limited, and a share of the expenses of the Board. The Board member expenses are split evenly between the schemes.

6 INCOME TAX

Income specific to the Scheme is subject to tax at 28%, after allowing for deductible expenses. The income tax reconciliation is as follows:

Scheme specific income 154 106 Deductible expenses (975) (922) Taxable income (821) (816) Net income/(loss) before tax and membership activities 18,922 (9,067) Tax at 28% 5,298 (2,538) (Non-assessable income)/non-deductible expenditure (5,528) 2,310 Income tax credit (230) (228) Represented by: (230) (228) Income tax credit on current year income/(loss) (230) (228) Income tax credit (230) (228) Movements in deferred taxation (230) (228) Opening balance 228 - Prior period adjustment (64) - Current year movement 230 228 Deferred tax asset 394 228		2024	2023

Deferred tax asset394228	· · · · · · · · · · · · · · · · · · ·	• •	228
	Deferred tax asset	394	228

The deferred tax asset is a result of tax losses available to carry forward. The tax losses consist of surplus deductible expenses which the Scheme will transfer to the GAT under section DV 2 of the Income Tax Act 2007 in a future income year. The GAT is subject to tax at the rate of 28%.

7 RECEIVABLE FROM THE GAT

The 2024 receivable represents the outstanding tax credits, (refer note 6), utilised by the GAT, resulting from the transfer of the Scheme's surplus deductible expenses to the GAT under the Tax Act. The Scheme will realise the receivable by investing in unit funds of the GAT or by settling the units in cash.

8 OTHER RECEIVABLES

Other receivables consist of:

	2024 (\$000)	2023 (\$000)
Management fee refund	84	20
Sundry receivables	38	23
Total other receivables	122	43

9 RECONCILIATION OF INCREASE/(DECREASE) IN NET ASSETS FOR THE YEAR TO NET CASH FLOWS USED IN OPERATING ACTIVITIES

	2024 (\$000)	2023 (\$000)
Increase/(decrease) in net assets for the year	5,071	(26,824)

(Less)/add non-cash items Movement in receivable from the GAT Movement in deferred tax	(64) (166) (230)	249 (228) 21
Items classified as investing activities (Income)/loss from unit funds	(19,743) (19,743)	8,251 8,251
Net cash flows used in operating activities	(15,026)	(18,558)

10 GUARANTEED BENEFITS

Under section 60 of the Act, the benefits payable by the Scheme are guaranteed by the Crown.

11 ACTUARIAL EXAMINATION AND REVIEW, FUNDING LEVEL AND VESTED BENEFITS RATIO – 31 MARCH 2024

11.1 ACTUARIAL EXAMINATION AND REVIEW

Every three years, a statutory actuarial examination of the Scheme is prepared in accordance with the National Provident Fund Restructuring Act 1990 and the Financial Markets Conduct Act 2013 (refer note 12). The most recent actuarial examination was carried out as at 31 March 2021. In addition, an actuarial review of the Scheme is undertaken annually.

The funding level and vested benefits ratio from the annual actuarial review of the Scheme as at 31 March 2024 and the figures from the statutory actuarial examination of the Scheme, as at 31 March 2021, are set out in this Note and Note 12. The assumptions and methodology used to value the liabilities as at 31 March 2024 are those currently intended to be used for the statutory actuarial examination of the Scheme. The results of the statutory actuarial examination of the Scheme at 31 March 2024 will be incorporated in the notes to the Annual Audited Financial Statements for the year ending 31 March 2025.

11 ACTUARIAL EXAMINATION AND REVIEW, FUNDING LEVEL AND VESTED BENEFITS RATIO – 31 MARCH 2024 (CONTINUED)

11.2 Funding Level And Vested Benefits Ratio – 31 March 2024

The funding level (funding ratio) of the Scheme is the ratio of the value of net assets available to pay benefits to the value of the total liabilities. For this Scheme, the value of the vested benefits is equal to the value of the liabilities.

Funding level and vested benefits	2024 (\$000)	2023 (\$000)
Present value of -		
Liabilities/vested benefits	(339,834)	(343,905)
Net assets	375,659	370,588
Surplus	35,825	26,683
Funding level	110.5%	107.8%

This table should be read in conjunction with note 10.

The most financially significant assumptions are:

- discount rates, which are Sovereign bond yields, adjusted for investment expenses and tax at 28%.
- allowance for future administration expenses through to 31 March 2054, equal to a continuation of administration expenses at the rate experienced in the previous year increasing at 2.4% pa, less tax at 28%.
- pensioner mortality assumptions, which are based on the results of the 2023 pensioners' mortality investigation and include an allowance for improving mortality.

Note that the approach to determining the discount rate and future expenses has changed since the actuarial examination as at 31 March 2021.

12 STATUTORY ACTUARIAL EXAMINATION – 31 MARCH 2021

Under the National Provident Fund Restructuring Act 1990 (the Act) and the Financial Markets Conduct Act 2013, a statutory actuarial examination of the Scheme is required every three years.

The most recent statutory actuarial examination was prepared as at 31 March 2021 by Christine Ormrod FNZSA, the Actuary to the Scheme, and is dated 4 August 2021. It covers the three years 31 March 2018 to 31 March 2021.

The following table shows the summary results of the valuation on the funding basis.

Valuation date	2021	2018
Present value of - Liabilities	(\$000) (345,088)	(\$000) (347,827)
Net assets	`409,734´	`359,186´
Surplus	64,646	11,359
Funding level (net assets/total liabilities)	118.7%	103.3%

The ratio of the net assets to the value of total liabilities is known as the funding level. A funding level of 100% indicates a balance between the net assets and liabilities of the Scheme at the date of the valuation. The funding level of the Scheme at 31 March 2021 was 118.7%. This shows that the Scheme had sufficient assets, as at that date, to meet its liabilities under the valuation assumptions.

12 STATUTORY ACTUARIAL EXAMINATION – 31 MARCH 2021 (CONTINUED)

For this Scheme, the value of vested benefits is equal to the value of the total liabilities and hence the ratio of net assets to the value of vested benefits is the same as the funding level, i.e. 118.7% at 31 March 2021. If the actuarial assumptions are borne out in practice, then the funding level and vested benefits ratio are expected to increase gradually over the next three years.

Under section 60 of the Act, the benefits payable by the Scheme are guaranteed by the Crown.

The most significant actuarial assumptions used by the Actuary were:

- The discount rate of 2.5% pa, net of tax and expenses.
- The pensioner mortality assumptions, which were based on the results of a recent pensioners' mortality investigation and include an allowance for improving mortality.

Recommendations

In the report on the examination the Actuary recommended:

- The Board documents the objectives of the Scheme, so that it can ensure the investment parameter and investment objectives are consistent with this and to ensure the investment strategy, pension purchase terms and pension increase policy are all consistent with each other and with the objectives of the Scheme.
- The next statutory actuarial examination be carried out as at 31 March 2024, unless the quarterly reviews of the funding levels indicate an earlier examination is appropriate.

The Actuary did not express an opinion on the financial condition of the Scheme.

The Board accepted the recommendations of the Actuary.

13 FINANCIAL RISK MANAGEMENT

The Scheme invests in units of the GAT based on the SAA determined for the Scheme (see note 3). The unit funds hold quoted equity, fixed interest and debt instruments. These instruments are all measured at fair value.

Under NZ IFRS 13: Fair Value Measurement (NZ IFRS 13), disclosures for fair value instruments are required using a three-level fair value hierarchy. These tiers reflect the availability of observable market inputs. The Scheme's investment in units of the GAT is classified as a level 2 investment as the unit prices are based on a net asset valuation derived from either quoted prices for similar assets or unquoted but observable inputs.

The Scheme's major risk in relation to its investment in the GAT is the price risk that the value of its units may fluctuate. Other risks, such as market risk (currency risk, interest rate risk and other price risk), credit risk and liquidity risk, are managed in the GAT.

More information on the disclosures under NZ IFRS 13 and the risks mentioned above is provided in the financial statements of the GAT. A copy of the financial statements of the GAT can be viewed on the National Provident Fund's website (www.npf.co.nz).

The Board manages the other risks by determining a diversified SAA Strategy appropriate for the Scheme's liabilities. In addition, the Board selects the investment managers, sets their mandates and monitors performance against those mandates.

13 FINANCIAL RISK MANAGEMENT (CONTINUED)

The long run investment return for the Scheme is estimated to be 3.8% per annum. The volatility is expected to be +/-3.2%. This is based on the Scheme's SAA and the long term rate of return for each asset class (after investment management, custody fees and tax), and after deducting a provision for the Scheme's operating expenses (after tax).

14 SUBSEQUENT EVENTS

There were no material events subsequent to balance date requiring amendments to these financial statements.

15 SUMMARY OF MATERIAL ACCOUNTING POLICIES

The following accounting policies have been applied consistently to all periods presented in these financial statements.

15.1 BASIS OF PREPARATION

The financial statements have been prepared under the requirements of clause 29 of the Scheme Trust Deed and in accordance with the FMCA. For a description of the Scheme and its funding arrangements see note 1.

15.2 STATEMENT OF COMPLIANCE

These financial statements comply with the New Zealand Equivalents to IFRS (International Financial Reporting Standards) Accounting Standards (NZ IFRS) and IFRS Accounting Standards (IFRS) as issued by the International Accounting Standards Board, and other applicable financial reporting standards as appropriate for profit-oriented entities.

15.3 MEASUREMENT BASE

The measurement base adopted is that of historical cost, except for investment assets which are stated at their fair value as set out below.

15.4 Presentation And Functional Currency

The financial statements are presented in New Zealand dollars, the Scheme's functional currency, rounded to the nearest thousand dollars (\$000).

15.5 CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

In compliance with NZ IFRS, preparation of the financial statements requires judgements, estimates and assumptions to be made that affect the application of policies and the reported amounts of assets, liabilities, income and expenses.

Judgement has been applied in the classification and measurement of financial assets. This policy has a material impact on the amounts disclosed in the financial statements.

15 SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

15.5 CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS (CONTINUED)

There are no material assumptions or major sources of estimation uncertainty that have a material risk of causing material adjustments to the carrying amounts of scheme assets at year end. Asset values are subject to variation due to market fluctuations and volatility (see Notes 13 and 14). Receivables have been valued in accordance with NZ IFRS 9. Under this standard the scheme has adopted the simplified expected credit loss model.

The estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period; or in the period of the revision and future periods, if the revision affects both current and future periods.

15.6 FINANCIAL INSTRUMENTS

Financial instruments include both financial assets and financial liabilities.

Financial assets include receivables from related parties and other receivables (if applicable).

Financial liabilities, measured at amortised cost, include accounts payable and bank overdrafts (if applicable).

15.7 RECOGNITION

The Scheme recognises financial assets and financial liabilities on the date the Scheme becomes a contractual party to the financial instruments.

15.8 MEASUREMENT

Financial assets that are classified at fair value through profit or loss are measured at fair value where all resulting gains or losses are recorded in the Statement of Changes in the Net Assets.

Financial assets and financial liabilities are recorded at amortised cost using the effective interest rate method, less any impairment losses. The effective interest rate is the rate that exactly discounts estimated future cash flows through the expected life of the financial instrument to the net carrying amount of the financial asset or liability.

15.9 DERECOGNITION

The Scheme derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or the Scheme transfers the financial asset and the transfer qualifies for derecognition. A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

15.10 Pensions

Pensions are recognised in the Statement of Changes in Net Assets when a request for payment is made.

15 SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

15.11 INVESTMENT INCOME RECOGNITION

Interest income is recognised using the effective interest rate of the instrument. Changes in the fair value on GAT unit funds are recognised in the Statement of Changes in Net Assets. Interest income from financial assets classified at fair value through profit or loss, is accrued at balance date. Dividend income is recognised in the Statement of Changes in Net Assets on the ex-dividend date.

15.12 TAXATION

Any income or loss arising from the movement in the fair value of the unit funds of the GAT is received by the Scheme tax paid.

The Scheme takes a responsible and transparent approach to tax which follows the spirit of the law in addition to the pure interpretation of the law.

15.13 STANDARDS ISSUED BUT NOT EFFECTIVE

Certain new accounting standards and interpretations have been issued that are not mandatory for 31 March 2024 reporting periods and have not been adopted early by the Board. None of these standards are likely to have a material impact on the Scheme when they are adopted.

16 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

There have been no changes in accounting policies or disclosures. New standards and interpretations that are mandatory for 31 March 2024 reporting periods have been adopted with no material impact on the financial statements.

National Provident Pension Scheme (the Scheme) Trustee's Report for the year ended 31 March 2024

17 OTHER INFORMATION

The Board, as Trustee of the Scheme, provides members with the following information:

17.1 SCHEME MEMBERSHIP

Changes in the Scheme membership numbers during the year were as follows:

	Pensioners
Opening membership as at 1 April 2023	4,564
Pensioner Change of Beneficiary	51
Deaths	(388)
Joins/Rejoins	-
Retirement	-
Transfers in from another NPF scheme	67
Transfer to another NPF scheme	-
Closing membership as at 31 March 2024	4,294

17.2 CONTRIBUTIONS RECEIVED AND BENEFITS PAID

Under the terms of the Scheme Trust Deed, contributions are not required to be made to the Scheme.

The Board certifies that, to the best of its knowledge, all benefits required to be paid from the Scheme were paid in accordance with the terms of the Scheme Trust Deed.

17.3 ADMINISTRATION FEES

Scheme administration fees are apportioned on fee per member and fee per transaction bases and are charged to the Scheme as a whole. As at 1 April 2023 scheme administration fees were increased for inflation. The Board certifies it is satisfied the increase in the administration fees for the Scheme is not unreasonable. The Board is satisfied the total management fees charged to the Scheme are not unreasonable.

17.4 VESTED BENEFITS

The Board, based on the advice of the Actuary, certifies that, as at 31 March 2024, the market value of the net assets of the Scheme exceeded the total value of the vested benefits, under the funding basis (see note 11).

17.5 TRUST DEED

The Scheme Trust Deed has not been amended since 6 July 2023, being the date of the Scheme's last annual report.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF NATIONAL PROVIDENT PENSION SCHEME

The Auditor-General is the auditor of National Provident Pension Scheme (the Scheme). The Auditor-General has appointed me, Pam Thompson, using the staff and resources of Deloitte Limited, to carry out the audit of the financial statements of the Scheme on his behalf.

Opinion

We have audited the financial statements of the Scheme on pages 1 to 12, that comprise the Statement of Net Assets as at 31 March 2024, the Statement of Changes in Net Assets and Statement of Cash Flows for the year ended on that date and the notes to the financial statements that include accounting policies and other explanatory information.

In our opinion the financial statements of the Scheme on pages 1 to 12:

- present fairly, in all material respects:
 - o its net assets as at 31 March 2024 and
 - o its financial performance and cash flows for the year then ended; and
 - comply with generally accepted accounting practice in New Zealand in accordance with New Zealand Equivalents to IFRS Accounting Standards ('NZ IFRS') and IFRS Accounting Standards ('IFRS').

Our audit was completed on 25 June 2024. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Board of Trustees and our responsibilities relating to the financial statements, we comment on other information, and we explain our independence.

Basis for our opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in informing our audit opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter

How our audit addressed the key audit matter

Valuation of the promised retirement liabilities (Note 11)

On 07 June 2024, the Scheme obtained an interim update letter as at 31 March 2024 from its actuary which showed vested benefits of \$339.8 million. This compared to the net assets of \$375.7 million resulting in a Scheme actuarial surplus of \$35.8 million.

The interim update letter uses the latest triennial valuation as at 31 March 2021 as a base and certain assumptions were updated with available latest information.

The interim update letter is inherently subjective and is affected by use of assumptions such as:

- Discount rate;
- Allowance for costs and increases in these costs; and
- Pensioner mortality.

We have included the valuation of the promised retirement liabilities as a key audit matter due to the significance of the disclosures to the financial statements and the subjectivity of the assumptions inherent in estimating the amount.

Our audit procedures included the following:

- Testing the underlying data provided to the actuary and confirming that these agree to underlying records.
- Evaluating the competence and objectivity and relevant experience of the Scheme's actuary.
- Engaging our internal actuarial specialist to independently understand, challenge and evaluate:
 - The work and findings of the Scheme's actuary;
 - The actuarial methods and assumptions employed, specifically, the discount rate, allowance for costs and increases in these costs, and pensioner mortality.
- Evaluating the related disclosures about the Scheme's vested benefits and promised retirement liabilities, and the risks attached to them which is included in Note 11 to the Scheme's financial statements.

Responsibilities of the Board of Trustees for the financial statements

The Board of Trustees is responsible on behalf of the Scheme for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand.

The Board of Trustees is responsible for such internal control as it determines is necessary to enable it to prepare financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Trustees is responsible on behalf of the Scheme for assessing the Scheme's ability to continue as a going concern. The Board of Trustees is also

responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Board of Trustees intends to wind-up the Scheme or to cease operations, or has no realistic alternative but to do so.

The Board of Trustees' responsibilities arise from the Financial Markets Conduct Act 2013 and clause 29 of the Scheme's Trust Deed.

Responsibilities of the auditor for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures, and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of members, taken on the basis of these financial statements.

We did not evaluate the security and controls over the electronic publication of the financial statements.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Scheme's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Trustees.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Board of Trustees and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- We evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001.

Other information

The Board of Trustees is responsible for the other information. The other information comprises the information included on pages 1 to 15 but does not include the financial statements, and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information. In doing so, we consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on our work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independence

We are independent of the Scheme in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1: *International Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board.

Other than the audit, we have no relationship with, or interests in, the Scheme.
